

Private Land Conservation Grants Category 3b Application Form

Due: Friday 17 March 2017

Foundation for
National Parks
& Wildlife

General information

Refer to the Private Land Conservation Grants Guidelines before completing this form.

This application form is for landholders (individual or companies) who hold land with the following conservation protection mechanism:

- Wildlife Land Trust and/or Land for Wildlife members

Proposed projects are to be within the area covered by the Agreement.

Funds of up to a maximum of \$1,500 per annum for 3 years are available under Category 3b.

Please complete this application form as fully as you can so that it can be properly assessed.

Please send the following with your application:

- At least two quotes or, if you cannot get two quotes an estimate of the cost over the phone from a second supplier. Please include the name and contact details of the supplier.
- If your project involves bush regeneration, include an hourly rate with your quote or estimate
- A map which clearly shows the conservation area and the area of the proposed project.

Please do **not** send photos.

Applicant Details

First Name					
Surname					
Company Name (if applicable)					
Postal address					
Suburb / Town		State		Postcode	
Phone		Mobile			
Email					
Are you a new applicant?					
How did you find out about this grant program?					

Please note: 1 hectare = 10,000 sq metres or 2.47 acres

Property Details

Are you the owner of the property?	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>		
If you do not own the property, what is your relationship with it?						
Property Name (if applicable)						
Size of the property / land (ha)		Lot Number & DP				
Postal address (if different to applicant details)						
Suburb / Town		State		Postcode		

Please select what describes you from the options below:			
<input type="checkbox"/>	a member of Wildlife Land Trust		
<input type="checkbox"/>	a member of Land for Wildlife		
Year Agreement started?		Size under Agreement (ha)	

Project Details

Size of Project (m ²)		Project Start Date		Project Finish Date	
Longitude		Latitude			

What does your project involve? (Tick one or more of the following)

<input type="checkbox"/>	Bush regeneration, including weed control
<input type="checkbox"/>	Activities supporting the recovery of threatened species, populations and/or ecological communities
<input type="checkbox"/>	Nesting boxes
<input type="checkbox"/>	Repairs / replacement of conservation related fencing
<input type="checkbox"/>	Fire management for ecological outcomes
<input type="checkbox"/>	Feral animal control as part of a co-ordinated program
<input type="checkbox"/>	Other

Describe your project, the need for it and the environmental outcome you are trying to achieve

--

Describe how your project is additional to any legal requirement you have to carry out biosecurity actions on your property e.g. noxious weed control

--

Describe how your project is consistent with the Agreement on your property

--

How will you maintain the outcomes of your project into the future?

--

How and when will you be able to tell if your project has been successful?

--

If you are proposing to buy an expensive tool, piece of equipment or material, please explain why you need it for your project, how you will maintain it and what % of its use will be related to the project

Financial Details

For how many years does the project need annual grant funding (up to \$1,500 a year)?

One	<input type="checkbox"/>	Two	<input type="checkbox"/>	Three	<input type="checkbox"/>
-----	--------------------------	-----	--------------------------	-------	--------------------------

Total funding requested (e.g total of \$4,500 if applying for \$1,500 per year for three years)

Please describe how these funds will be allocated (You will also need to supply quotes to accompany your application. Please note, the details below MUST correlate to the funding requested.)
